

## TOWARDS AN ANTI-RACIST CURRICULUM 2223 RETURNING SCHOOLS

Delivery Timeline: Autumn Term 2022 to Summer Term 2023

Our support package for returning schools consists of:

- Three training sessions for (1 x 1.5hr session per term 2 online, 1F2F) bringing project leads together to develop on the work that was completed in the first year and further develop and cement the network. This will include allyship, unconscious bias and engaging pupil voice.
  - Session 1: key learning, sharing of best practice and action plan for year 2, building a network of trust and collaboration.
  - Session 2: engaging colleagues, developing student voice and learner-led projects.
  - Session 3: strengthening network of project leads, and impact on schools.
- One surgery with SLT and Project Leads:
  - Review roadmap that has been developed, encourage schools to embed their plans into school strategy plans.
  - Provide advice and support on Year Plan.
- Two sessions creating an online safe space for the emotional well-being and healing of BAME school staff members and TARC trainers. As well as signposting of brave and safe spaces.
- Two ½ day sessions with students and project leads to develop skills, creativity, and confidence through exploration of history, telling their stories, indigenous arts, and healing
